

Mp3 John Sykes - Nuclear Cowboy

[DOWNLOAD HERE](#)

Released in 2000, this album features guitar great John Sykes injecting some different elements in to his usual hard rock style. 12 MP3 Songs ROCK: Modern Rock, ROCK: Hard Rock Details: John Sykes started his career in 1980 with the New Wave of British Heavy Metal band, The Tygers of Pan Tang. After two years of albums and tours with the Tygers, John left the band and ended up with the influential classic rock band, Thin Lizzy. John joined Thin Lizzy in 1982 and performed on the album, Thunder Lightning as well as the Live Life album and a live album recorded by the BBC of the bands last show at the Reading festival in 1983. After this farewell tour, John joined Phil Lynott for Phils solo tour of Europe in a band dubbed, The Three Musketeers. John was then invited to join the band Whitesnake and he appeared on the U.S. release of the Slide It In album. The band toured constantly in support of the album and ended the tour in front of 500,000 people at Rock in Rio in 1985. The show was also broadcast to millions of people on television throughout South America. Whitesnakes next album was the self-titled 1987 release, which featured Sykes fiery guitar playing as well as his diverse song-writing talents. The album went on to sell approximately 20 million copies world-wide and songs Sykes co-wrote such as Still of the Night and Is This Love are still staples on rock radio today. After leaving Whitesnake John returned to England and formed the critically acclaimed band, Blue Murder. The band featured bassists Tony Franklin and drummer Carmine Appice. Their debut album not only showcased Johns fiery and melodic guitar playing but his excellent singing voice as well. The material ranges from epic rock songs like Valley of the Kings to more pop-oriented songs like Jelly Roll. For the last several years John has been releasing material under the name Sykes. Also, he and Scott Gorham still tour successfully as Thin Lizzy with John handling the vocals for the late great Phil Lynott.
