Rootsy, soulful reflections of my life 8 MP3 Songs BLUES: Acoustic Blues, COUNTRY: Country Folk

Details: I started out on the streets of New Orleans learning blues harp from an old black man named Dranpa. Out of necessity I picked up an acoustic guitar to accompany the lyrics I was writing. The music is a little blues, country, folk, and rock. I've played for people from Los Angeles to New York and am just trying to make a contribution to this thing we all know and love, the universal language, Music.
