Traditional rhythms and songs from Guinea, West Africa played on traditional instruments. 9 MP3 Songs
WORLD: African, WORLD: World Beat Details: Nan NKama, the Susu word for born for it, is is how I describe Les Bay-Fall de Guinea.. They are a group of young artists who play together and live as a community of soul brothers born to play music. The pride, talent and love they share for each other and their culture is inspiring.They are my teachers, allies, good friends and family. It has been a pleasure and an honor to be a part of the production of this CD. The music on this CD is traditional music handed down by the large Griot family of artists from Guinea, West Africa and played on traditional instruments. All proceeds from the sale of this CD go to the artists of Les Bay-Fall de Guinee and their families. Thank you for purchasing a CD. WUN TA NARA Debo myspace.com/lesbayfalldeguinee
