Lyrics Army of angels I call now upon thee Rush to my aid and make haste to protect me! Yea, all my foes have laid webs to ensnare, Though I try to keep peace it is war that they declare. I am now forced to take arms and fight, So I turn to you now to imbue me with your might! With your power infuse me! Strength pour into me! Give me your sword and your light to conceal me, I'll take flight! Stars in the sky are but glimmers in your eye So I know you possess the power to free me. As you protect, with your power I will stand. In your light I will dance the dance of liberation! Thunder is yours, only you can make rain pour; With a flash of your eyes you bring light to darkness! I'll play my role, but it's you that makes me whole. Never ending Goddess, in you I'll take flight! God and Goddess of all that is grant me power to banish all my fears. Heaven hear my best and grant my request; Free me from my woes and vanquish my foes! To me, give your light, help me win my fight! In return to you I give you my life.
