Ancient tunes of the British Isles played solo on the Celtic harp. 10 MP3 Songs FOLK: Celtic Folk, FOLK: Irish Traditional Details: Mark Davies is from Sydney, Australia. He has devoted his life to performing over the past 20+ yrs on his own designed handcrafted celtic harps, as well as renaissance baroque lutes, flute, classical / flamenco guitar. He has also recently set up his own home recording production studio to produce his own compositions arrangements, based on the years of experience gained in many different fields genres. His own "currently unreleased" work is developing some interesting fusions based around celtic flamenco rhythms styles. The Celtic Harp, is the first CD he has produced, with the positive experience gained here there will hopefully be many more new exciting sounds to look forward to in the future.
