Web 2.0 Designer Basics Video Collection "Finally Revealed For Photoshop 7 Users -- How To Create Your Own Web 2.0 Style Icons, Graphic Headers, Shiny Text, And Stripy Backgrounds Easily!" Dear Marketing Friend, Since 2006 the new "it" in web design has been a style more commonly referred to as "Web 2.0". Yes, it is 2007, but Web 2.0 style designs are even more mainstream! And they do cost a pretty penny. But, what if I told you that you could actually learn how to create your own Web 2.0 style graphics to use on your own web site designs in less than 1 hour? Sounds unbelievable, right? Well, it isn't! Of course there are a plethora of "free" video tutorials showing you how to do little things with Web 2.0 designing across the Internet. But, unfortunately, most of them are geared towards Photoshop CS and higher. And, just as unfortunate is the fact that too many people are still using Photoshop 7 and things that work with CS + don't with the older PS 7 :-(That's why I made these videos! So that Photoshop 7 users could create the same beautiful Web 2.0 style graphics. And you will be able to once you download this collection. Today, I'm going to share all my Web 2.0 graphic secrets with you. And for far less than you would pay a professional designer to create them for you! But, better than simply telling you what steps to take, I'll SHOW you. Yep. That's right. I'll SHOW you how to do exactly what I do, and what many other pro web designers are doing through the power of video. Ready to learn more? Okay. Here's everything you'll know how to do in less than 1 hour from watching the videos: * How To Create Stripy Web 2.0 Seamless Tiling Backgrounds Easily * How To Create Web 2.0 Style Gradient Header Graphics * How To Create Gradient Waves   This One Is REALLY COOL! * How To Create Web 2.0 Style Icon Buttons * How To Create Web 2.0 Style "Shiny" Text Once you master the above basics of Web 2.0 design, you will be able to create plenty of stunning graphics for your web sites without the need to pay anyone any more! How much is that worth to you and your online business? Every video inside this brand new collection comes in easy to view and edit .AVI format. Plus, there's a special video codec included to be sure that if you are using Windows Media Player, you'll be able to view the videos without any problems. Now let's talk about how much this brand new, never-before-seen-pro-designer-secrets

video collection will cost you. Master Resale Rights Version of Web 2.0 Designer Basics Video Collection - $37 Plus, when you purchase either the Master Resale Rights Version or the Private Label Rights Version you will receive an exact replica of this very page to use when you resell. On top of that, you will also receive a pre-built "Thank You" page to make product delivery super easy! Every version comes with a "YOUR RIGHTS" PDF file explaining everything you can do with the collection. Also, inside this file you will find a couple of extra "bonuses" by way of 1 click Web 2.0 gradients and layer styles you can download for free online then use when creating your graphics. These two files will make child's play of your design work! Now, I think you have all the information you need to make the right decision and. . . . Place Your Order For The Master Resale Rights Version Above - Only $37 ***PLEASE NOTE: There are absolutely NO REFUNDS for any purchases of this video collection, regardless of which version purchased. Please be sure you really want to buy before you do as there will be no refunds provided, no matter what. Period. On every order, download is instant regardless of the time or place you order from. So it's 4:00 a.m. in Australia? That's okay. You'll still be downloading your video collection within minutes! Please do not hesitate to pick up at least the Personal Version of this stunning collection of easy to learn from videos. The price may be rising very soon as I don't want too many people to get their hands on this information. There will also be a cap placed on how many copies that are sold from this page too. I won't say how many, but it is a very low number. Don't be left out! Be one of the first to finally put all those overpriced professional designers out of business. To Your Designing Success, Tracy Yates Web 2.0 Designer Basics Video Collection Creator P.S. - Collections are limited, so get yours A.S.A.P. as I cannot guarantee that when you return, you will be able to purchase for the above price, if at all. Today is the day you can keep your hard earned money in your pocket by learning how to "Do It Yourself" with Web 2.0 Designing and Photoshop 7 or up!
