Acoustic Latin Music made in Colombia. Unique sounds that want to make you hear more. A blend of world music with singersongwrightouch. Produced by Einar Escaf (Carlos Vives). A collaboration with some of the finest musicians of Colombia. 11 MP3 Songs LATIN: Afro-Cuban, WORLD: Caribbean Show all album songs: Desde Barranquilla Songs Details: This is the second album by CORAZON LATINO. This time CORAZON LATINO still maintained the unique acoustic touch they are known for. But there are new songs written by members of CORAZON LATINO and new sounds contributed by some of the best musicians from the caribbean coast of Colombia. There are folkloric instruments used as the gaita, bombardino and clarinette. Beneath it all stays the rich percussionsound accompanied by the great basslines of Edgardo Fabregas. There is a lot of space for the wonderful voices of CORAZON LATINO's Leadsingers: Gloria Velandia and Sebastian Enrique. Einar Escaf who is one of Colombias most known producers (Carlos Vives) and Andy Bopp, director, composer and guitarplayer of CORAZON LATINO have produced a wonderful album that breathes the air of Colombias Coast. As always the album goes straight to the heart of latino music because its CORAZON LATINO. CREDITS: Productor Ejecutivo y Musical : Andy Bopp , Sebastian Brunner.
