Middle Eastern remixed, groovin' techno tribal bellydance music 13 MP3 Songs WORLD: Middle East Contemporary, ELECTRONIC: Trance Show all album songs: Caravan Rhythms, Remarkably Remixed Songs Details: Gypsy Caravan Caravan Rhythms Remarkably Remixed. Using our older CD, Caravan Rhythms, a wonderful recording of 12 rhythms - chiftitelli, malfoof, masmoodi, beledi (2 versions), ayooob, bolero, saidi, 6/8, maksoom, karachi, karsilama...we asked some of our favorite local DJ spinners and mixers to assist us in remixing it, and it grooves big time. Gypsy Caravan is based in Portland, OR, but travels the world teaching, performing tribal bellydance and music. They have produced several award winning DVDs and CDs of their original eclectic, middle-eastern influenced music. Instruments such as the zurna, djembe, dumbek, mijwiz, and various percussion now are remixed to kick it up. Inspired by the improvisational dance style of the tribal bellydancers, the music can be mesmerizing and hypnotic, or energetic and rockin'. gypsyncaravan.us
