An offbeat collection of pop originals for discerning kids and their parents' inner child. The Quiet Two will capture the imagination of junior without winding up Mom and Dad. 13 MP3 Songs KIDS/FAMILY: Children's Pop, KIDS/FAMILY: General Children's Music Show all album songs: Make Some Noise Songs Details: The word on the street: "Like a low-fi classroom demonstration of Brian Wilson's Smile....cute and charming" - Time Out New York Kids "Clever, whimsical, and exceedingly tuneful debut" - barnesandnoble.com "Perfect for kids who've graduated from the Wiggles but aren't quite ready for the Kinks." - babble.com "Think the Small Faces playing a free-form variety show for kids." - School Library Journal "An awesome alternative to mainstream children's music" - celebrity-babies.com "I played in a band in high school. We loved the Moody Blues, Beatles and the Beach Boys Pet Sounds era. We would have sounded like this band if we could have pulled it off." - ParentGuide.com "Echoes of Ben Folds, Robyn Hitchcock, and XTC...required melodic indie rock addition to your collection." - Minnesota Parent "Fantastic and fantastical, sweet and imaginative, full of instantly memorable tunes. Think very early Pink Floyd if they had the musical sensibilities of Sloan, and without quite so much lysergic acid diethylamide." - Kids Music That Rocks "For adults tired of listening to kids' albums with too many lessons." - zooglobber.com "Definitely in the top tier of current kid-friendly music." - The Lovely Miss Davis
