These will become the soundtrack of the experimental movie LIKE A GIANT IN A TOWEL, interpreted by all three components. A twenty-minute, super8 short directed by Barbara, screened the following summer at the Locarno International Film Festival. Together they put out a limited edition, of fifty copies, split cd entitled AMAVO EL TOCO. In April 2007 the identity of Peter Kernel is completed with the arrival of the second guitarist Anita. The relationship between the four components grows intimate. To the point of influencing new ideas, later recorded during long, hot days of August 2007 at Sauna Studio, in Varano Borghi (Italy). Its their first real release entitled HOW TO PERFORM A FUNERAL. The disc comes out the first of March 2008.
