

MP3 Jrz System - Cosmic String Theory (feat. Neil Zaza)

[DOWNLOAD HERE](#)

THE Instrumental Experience. 11 MP3 Songs ROCK: Instrumental Rock, JAZZ: Jazz Fusion Details: Critically acclaimed instrumental trio, JRZ System returns with another timeless soundtrack featuring a trio of Z wildest cosmic string benders from the galaxy. This time around bass and drum monsters, Johnson and Roberson are joined by Melodik Records solo artist and international guitar guru, Neil Zaza. Combining soaring melodies, soulful blues and mindbending shred Zaza takes the System to the next level and proves his reputation as a true modern day Guitar Hero. Original guitarist, Mark Zavon is back for only one track, but his performance on the seven minutes plus opus, Night of the Three Legged Thing is worth the price of admission alone. Newcomer and young gun, Ben Zinn makes his first appearance with additional guitars on two tracks and all on the trippy, Tippy Toes. As always Johnson and Roberson provide the low-end rhythm and zen orchestration with an array of otherworldly techniques in classic JRZ style. People who are interested in Steve Vai Tommy Bolin Buckethead should consider this download.
