

# Mp3 Tim White - Possum Tapes

[DOWNLOAD HERE](#)

Fun bluegrass music. All songs about America's favorite marsupial, the possum. Toe tapping upbeat high energy music. 13 MP3 Songs COUNTRY: Bluegrass, FOLK: Appalachian Folk Details: Possum Tapes CD The Possum Tapes was recorded in 1993 at Ben Halls Homeplace Studios in Hendersonville, TN. Tim White who is a noted banjo picker and bluegrass music promoter based in Blountville, TN produced, performed and brought together a world class group of notable musicians for this recording. This entire CD is FUN! It pays tribute to Americas most beloved marsupial, the possum. Practically everyone in North America is familiar with the possum, mostly seen as road kill on our highways. This recording has been very popular since its release due in large part to the love of the possum and peoples fascination with this creature. An all-star lineup of musicians and singers help Tim with this project including legends like Jimmy Martin, Jim Jesse McReynolds of the Grand Ole Opry, Roy Husky Jr., Glen Duncan, Carl Jackson, Wayne Taylor and others. To listen to this CD youll find that even though it is a novelty recording, the music on it is great bluegrass! The recordings here have been played on radio stations all over the world with great reviews and audience approval. Please enjoy this Possum Tapes recording of 13 great tunes, and remember to.Eat More Possum! People who are interested in Earl Scruggs Jim and Jesse Jimmy Martin should consider this download.
