Debut album of acoustic tracks from former trance producer and DJ Nick Doof -a beautiful collection of 12 original gently meditative songs to touch the heart and uplift the mind,featuring Nick's trademark sparkling production. 12 MP3 Songs in this album (68:57) ! Related styles: NEW AGE: Healing, NEW AGE: Spiritual Details: Nick Barber is also known as former trance DJ and producer Nick Doof. Based in London (UK) and Ibiza,Nick produced many classic tracks in the early days of the trance scene,collaborating with well-known artists including Simon Posford (Hallucinogen,Shpongle),Raja Ram (TIP,Shpongle),Dick Trevor (Green Nuns) and Benji Vaughn (Younger Brother,Prometheus). Under the name Doof he released tracks with the best-known of the UK trance labels,including singles for Dragonfly,TIP and Matsuri and albums with TIP and Twisted Records. He has also released 2 albums of trance under the name Vatos Locos,a collaboration with friends Celli Firmi (Earthling,Soundaholix) and Xavier Fux (Zulu Lounge). This latest album represents a significant departure from his previous electronic sound.A collection of gentle,meditative acoustic music,it brings together songs that Nick has been working on over several years.They reflect the inspiration he has felt through working with healing music and close contact with amazing acoustic musicians such as Carioca and Rainer Scheurenbrand. Some of the songs on the album are already well-loved classics on the healing/spiritual music scene,but this is the first time they have been collected together on one recording.
