

Mp3 Sonicbloom - From The Get-go

[DOWNLOAD HERE](#)

Sonicbloom is the result of five diverse artists coming together to share the same platform. Combining boundary-breaking lyricism, production, live instrumentation, spoken word and complex turntablism, we create a high-energy, funky, and soulful atmosphere. 18 MP3 Songs HIP HOP/RAP: Hip Hop, ELECTRONIC: Funk Details: Sonicbloom is a collective of progressive musicians, poets, and artists unified under the medium of sound. With a directed intention at moving minds, bodies and spirits all at once, the potent vibration behind the essence of this group carries through every note played and word spoken. We feel that it is our duty to always break the boundaries of monotony, and truly follow our souls as well as our ears in this journey through the artistry of music. Sonicbloom is comprised of 5 core members. The Omnipotent Penman (Open Vocalist) and Spends rock the rhymes, with Spends also producing a lot of the beats. Djust-D (just-d) commanding the 1's and 2's. J.Kin on the alto saxophone, vocals, as well as producing a lot of the beats. Mr. Tay blesses us with his guitar, as well as his beat-making production skills. Combined together, these elements create a result unlike anything else in hip-hop. This CD release, represents over 2 years of innovation and growth. "From the Get-Go" is a precursor for many more progressive projects to be released by CFO Recordings within the next year. Please join us in spreading good music to the masses, pass the word along, and always keep your ears open. Personal Advisory: Life Changing Music!
