Songs for jumping into deep puddles, watching water and wiper blades, night driving. 13 MP3 Songs
ELECTRONIC: Pop Crossover, ELECTRONIC: Experimental Details: "Eightysix" is a compilation of instrumental and predominantly electronic loop-based tracks. It follows a completely different direction in theme than "Degree of Focus" (2002). Sometimes experiemental in nature, it features works composed throughout the starfirefive's history as a band (1998-2004).
