

Mp3 Swell Audio - Live Sex

[DOWNLOAD HERE](#)

Over an hour of real, live sex featuring a little naughtiness for everyone, including strip clubs, backseat sex, groupies, and whips and chains. 5 MP3 Songs SPOKEN WORD: Audiobook, ELECTRONIC: Experimental Details: The title that started it all, and still one of our best sellers. Over an hour of real, live sex featuring the sounds of fun-loving adults from all walks of life coming together. Imagine the nastiest, naughtiest audio sex story, happening right in front of your eyes (erm, ears). Listen to long, full-length encounters, in all their raunchy glory. If you're looking for a hot audio sex story, there's a little here for everyone, including strip clubs, backseat sex, groupies, and even whips and chains. And you've got a front row seat, where you can hear every moan, every gasp, every shriek of pleasure and pain. This sizzling CD is just ready, waiting for you at our online store. You know you're curious. You know you want it. Give in to the dark side. Swell Audio has one goal: providing fine audio erotica to stimulate ears everywhere. Our original audio sex CDs cater to every taste and whim, offering a unique, hands-free listening experience guaranteed to stimulate your mind and imagination (among other things). Open your ears and your mind, and experience a whole new erotic, Swell world. Tune in and turn on. Swell, baby, swell...
