Details: Composer, music arranger and sound designer; Evelyne Datl is experienced in all musical styles. She has worked as a music composer providing scores for numerous award winning productions encompassing genres such as drama, comedy, documentary, feature film, lifestyle programming and childrens TV. Years of experience performing and recording with many prominent Canadian artists have afforded her much expertise and versatility. Yearning to explore her own musical voice, she produced this, her debut CD. Eleven beautifully written pieces that will sweep you away deliciously melancholic. Reviews and comments: I've been listening to your CD "Evelyne Datl" for a week now and I can't move on. I'm stuck on it. I get more from it each time I listen. Is there a prescription which would relieve me of this? - Mike Downey "...Astonishing musicality... Evelyne's apparent ease with diverse musical styles and the technical demands of improvisational music translates into an emotional charge... many times I found myself transfixed by her performances..." - Andrew Zealley, Xtra Magazine "...Excellent!...beautiful work... impressive Hammond B3 work that should not be missed... Datl's vision goes for depth and feeling, putting the music first over mere virtuosity. That is not to say she is a weak player. She is not." - Richard Warner, Eye for The Future Magazine "... A lovely... bracing collection of original compositions... instrumental music that doesn't cry out for lyrics..." - Kim Hughes, NOW Magazine "...Feels like warm rain..." - Baeleay Callister, Filmmaker, B.C
