

Mp3 The Ultimate Blues Jam Vol. 1 - Blues: Electric Blues

[DOWNLOAD HERE](#)

A series of 10 authentic blues backing/play-along tracks recorded live in the studio without the lead or solo instruments. Great for jamming practicing at home with guitar, harmonica, horn, vocal etc. 11 MP3 Songs BLUES: Electric Blues, BLUES: Guitar Blues Details: The Ultimate Blues Jam CD "Volume 1" is a series of 10 authentic, vintage style blues backing/jam-along tracks (4-5 minutes each) recorded live in the studio without the lead or solo instruments. This is where you come in; simply insert the Ultimate Blues Jam cd into your home stereo and have your instrument ready, whether you're a vocalist, guitarist (for lead or rhythm playing), harmonica, horn or piano player. Beginner or pro, you can use these tracks to practice and develop your skills with a band - for home practice and/or preparation for a live performance. It can also make an effective warm-up tool before a gig or an aid to recording/writing your own music. The Ultimate Blues Jam "Volume 2" CD is also available on my website (MP3 sound samples on the site). 10 more classic rockin' blues jam tracks for your jam-along enjoyment! CHECK OUT THE CD REVIEW FOR "ULTIMATE BLUES JAM" VOL. 2 CD:

bluesharp.org/cgi-bin/viewnews.cgi?category=2&id=1059838386 Here is a CD review from 2003 (By John Valentyne) Pete Schmidt The Ultimate Blues Jam VOLUME 1 Stone Pillar SPP002 Schmidt is the excellent guitarist with Dave Rotundo and with Little Bobby the Jumpstarts and this instructional CD is his latest project. It is in effect your very own Chicago blues band (guitar, piano, bass, drums) that you can play along with in the comfort of your home (and presumably at a reasonable hour). Various shuffles, slow blues and swings are among the ten tracks and you can stop, start or start over whenever you like.
