BONDAGE - Social Disease Released - 2009 Bondage Cabaret Records Written, Recorded, Performed by: Terry StillborN Art by: Kalynn StillborN 1.Social Disease - Original Mix 2.Social Disease - Funked On Crack Mix 3.Social Disease - Dead Soldier Mix 4.Dark Clouds 5.Men Shall Seek Death These songs were written in late 2006, early 2007, for BONDAGE - Machination. Social Disease Original Mix: The structure and feel of this track, was intended to re-ignite the affair with the late 80's and early 90's industrial artists such as; Skinny Puppy, My Life With The Thrill Kill Kult, and Ministry. These, among other artists, influenced Mr.StillbornN at an early age to pursue a life of industrial art and music. The original track of Social Disease was only previously released on Myspace as a demo in 2006. It received positive reviews, but was not included in the 2007 release of Machination. Funked on crack mix: Was just a fun inebriated playful experiment/cover of Social Disease. It was basically done just for my own enjoyment/shits and giggles. Dead Soldiers Mix: A fan contacted Mr. StillborN, expressing how he enjoyed his music and, after talking with him for some time online, he decided to share a story with Mr. StillborN about a past experience in the military. This was obviously something that bothered him, and his story inspired Mr.StillborN to create a new remix of Social Disease. This individual consented to the use of his story with the condition that he remain anonymous, and so all vocals are performed by Mr StillborN. Dark Clouds: This track was initially written for our 2007 release Machination, but it didn't quite fit so it found its way onto this release. Men Shall Seek Death: Another song from the BONDAGE archive which was never released. This was an instrumental song just waiting for the appropriate place. I felt it was the perfect way to end a release titled "Social Disease". :P
