Today, as the Earth and humankind evolve into a new consciousness, the treasure of spiritual knowledge is being made available to all who are ready to receive it. The key to that treasure is before your eyes. Following more than a decade of solitude and meditation in the Himalayas of India, Swami Amar Jyoti devoted His life to this holy mission. For four decades, until His Mahasamadhi in 2001, He traveled the globe, guiding countless souls to awaken to our Divine heritage. Wherever He went, He gave Satsang, communicating the highest wisdom of classical spirituality in simple, clear language, and powerful vibrations of love and compassion. With sparkling humor, loving wisdom and unalloyed direct Truth, Swami Amar Jyoti's Wisdom Teachings reveal humanity's purpose on this planet. He spells out in detail what it means to live a spiritual life and the way to reach our Highest Goal. His communication is personal; listeners feel that He is highlighting the very obstacles, situations or questions they are dealing with at the moment. Prabhushri Swamiji's Satsangs were given spontaneously and recorded live. They are a unique library of spirituality, in which seekers from all paths and cultural backgrounds find solace, inspiration and daily guidance. These Satsangs present a broad range of topics and a depth of approach not found in any other collection. Allow the words of the Master to open your heart and soul and send you soaring.
