A tasteful fusion of acoustic elegance and spiritual poetry. Baha'i inspired. 12 MP3 Songs in this album (48:33) ! Related styles: FOLK: like Joni, WORLD: Fado People who are interested in James Taylor Leonard Cohen Don McLean should consider this download. Details: From Afar is a great album. Featuring the poignant songs and angelic voice of Grant Hindin Miller. Look at the poetry of Such Love : Such love no eye hath ever beheld; nor hath mortal heart conceived such mutual devotion. If the branches of every tree were turned into pens and all the seas into ink; and earth and heaven rolled into one parchment the immensity of that love would still remain unexplored - and the depths of that devotion unfathomed. Tastefully orchestrated, From Afar is a blend of stirring lyrics, moving melody, and profound thought. If you want to hear a great song listen to If we Knew. This artist is an unknown gem. Put this album on when you're driving in the rain. Put this album on when you feel alone. Put this album on when you want to reflect. Put this album on.
