EASY LISTENING: Background Music, NEW AGE: New Age Details: This CD has been produced to give players of the Native American Flute several songs to which they may add their personal music. As a player of the Native American Flute, I have found it difficult to find such material. NO FLUTE PLAYER SHOULD BE WITHOUT IT!!!! This CD can also be used for relaxation and meditation... These songs have been composed, arranged, and produced by Jeff Perry, my son. The flute keys are A,D,E,F#,and G... They are the background to my personal CD---SOUNDS FROM MY SOUL..
