Stevie Moore should consider this download. Details: For over twenty years, Fly Ashtray has filled the earholes of discerning music-lovers with their skewed but strangely catchy songwriting style and everything-and-the-kitchen-sink audio production style. Now, with REPORTS, Fly Ashtray has significantly upped the ante, bringing together all the elements that make them one of New York Citys finest bands. The production is denser yet clearer than previous releases and the tunes are simultaneously more palatableoccasionally even cinematicyet still off-kilter. With REPORTS, Fly Ashtray has shed the tired trappings and tropes of 90s Indie Rock and become more the essence of itself. "..the whole album is 5stars. great textures and chord progressions all around. constantly inventive. i truly luv you guys." --R. Stevie Moore
