Forget eBooks That Just Give You Theories and Leave You Scratching Your Head... "I'm Going to Show You, Step By Step, How To Set Up Your Very First Internet Business!" Here's what you'll learn in this step-by-step video training series: Video #1: The Tools You Need In this introductory video, you will learn the main concepts you need to understand before diving into your resell rights business. And the best part is...all the tools you will need to set up your automated marketing system are completely free! Video #2: Getting Your Product Ready After you download your resell rights product, there are a few simple tricks I've learned that will save you tons of time. You'll learn exactly how to get set up and ready so you can get your business online fast... Video #3: Customizing Your Sales Pages Customizing your sales pages can be very quick...if everything is included in the package. You'll learn how to customize a salesletter and download page. And if your product didn't come with a download page...don't worry. Because you'll learn how to create your own download page from scratch. Video #4: Adding Download Links to Your Files After you setup your download page, you have to link to your downloadable files. So when your customer clicks on the download links, they can download easily the files. You will learn how to save you time by testing it on your computer before uploading it to your website. Video #5: Using PayPal to Automate Your Sales Your PayPal button will take the customer from the sales page, to the payment processor, and then on to your download page. You will learn how to securely link your sales page to PayPal and automate the sales process. Video #6: Uploading Files and Testing The System You may run the other way when you hear words like FTP. But in this video you will learn how to upload your files with FTP Surfer and Cpanel's File Manager program. You'll also learn how to test the system and make sure your sales funnel works before you release it to the public
