

Video Customizing Your Gmail Videos Plr

[DOWNLOAD HERE](#)

This product came about after a bunch of us in one of the popular Forums were talking about our favorite email program. I began waxing poetic about all the great features available in Gmail and labs, and was amazed to learn that many of the marketers there hadn't been putting them to use. A series of tutorials was requested, and this product is the result! As a marketer, I've been amazed at how Gmail helps me to stay organized. It's truly the best free email available - you can use it to organize your email, send and reply from multiple email addresses, set up a task management system, and more. In these videos, you'll learn how. I'm also including a list of additional resources - Firefox plugins, additional tweaks, and more. I use a few of these myself, but didn't bother with a video because everyone's situation is unique. Put your Gmail to work today! * Video 1 - Inbox and Filters - 5:16 * Video 2 - Label and Filters - 3:40 * Video 3 - Labs - 8:01 * Video 4 - Themes and Settings - 4:42 * Video 5 - Using Gmail for Multiple Accounts - 4:12
Video Format(s): .AVI Salespage : Not Included Tags: avi, plr
