EBOOK #5- Getting Inked! Getting Inked is your one stop guide to getting your first tattoo covering

everything from choosing an artist and design to must know after care tips Note from the Compiler

Distribution Notice Photography Credits Introduction Picking out a Tattoo Studio Choosing the Artist

Picking out the Right Image For You! Common Types of Tattoos People Get Some Examples Tattoo

Galleries and Resources for Your Perusal Alas, Where to Put It... Is It Going to Cost Me An Arm and A

Leg? The Tattoo Process In A Nutshell After Care One Last Piece of Advice and Some Closing Thoughts

EBOOK #6 - Butterfly Tattoo Designs Ebook of Butterfly Tattoo Photos and Images. The great thing about

tattoos are you can express yourself in your own unique way. Its a technique of marking the skin with

colors, creating a design of one's choice. This ebook of butterfly tattoo images may have just the one you

are looking for. One of the great things about a butterfly wing tattoo (on females in particular) is they can

gain a lot of attention. However, it is vital to be certain that you'll still want to live with it on you later in life.

The positive thing about making up your mind on your choice of tattoo design using our collection of

tattoos is you have all the time in the world to make your choice. People who go directly to a tattoo art

studio have limited choices to choose from and tend to feel they have to make up their mind more quickly.

The secret is to browse through a lot of tattoo ideas before you settle on the one. EBOOK #7 - History Of

Tattoos A tattoo is a mark made by inserting pigment into the skin: in technical terms, tattooing is micro-

pigment implantation. Tattoos may be made on human or animal skin. Tattoos on humans are a type of

body modification, while tattoos on animals are most often used for identification. Tattooing has been a

nearly ubiquitous human practice. The Ainu, the indigenous people of Japan, wore facial tattoos.

Tattooing was widespread among Polynesian peoples, and in the Philippines, Borneo, Africa, North

America, South America, Mesoamerica, Europe, Japan, and China. Despite some taboos surrounding tattooing, the art continues to be popular all over the world. This e-book explains the origins of the word TATTOO and gives a brief history of how tattoos have changed over the last 12000 years. Are you in to tattoos? Then we guarantee that you will not be disappointed with this product. THE ULTIMATE TATTOO EBOOK COLLECTION 7 TOP TATTOO EBOOKS FOR A FANTASTIC PRICE! Plus you will receive tons of freebies with your purchase !! 1 Surprise Ebook + 200 free tattoo designs @ no extra charge ! This is a DIGITAL DOWNLOADABLE .ZIP File. Ebooks are in .PDF format.
