irresistable ska music mayhem. 16 MP3 Songs ROCK: Ska, POP: British Pop Details: MARK FOGGO is a dynamic performer. His music is best described as modern, bizarre, non-influenced, up tempo ska. The fast catchy songs and sensational live-shows are an unforgettable experience. Born in Liverpool, England, Mark Foggo began his musical career at the age of fourteen but moved south to London a few years later to seek his fame and fortune as a guitar player. He played around the London pub circuit with a number of different bands, playing mostly rhythm and blues or punk music. With Polydor, Mark recorded his first album "Speeding my life away". The album was an instant hit and got worldwide radio airplay. After "Speeding my life away" Mark released some more music as a solo artist on various record labels (EMI BONI). He also worked on music for movies and tv. The next album Mark Foggo released was "Ska Pig". Ska pig was a huge hit with the ska-public. Today the album is considered to be a classic in the genre. After "Ska Pig" Mark Foggo released many more cd's and singles The latest cd "You Shot Me" contains 12 brand new, original tracks. Worldwide record sales have made Mark Foggo one of the planets best known ska acts. Numerous television and radio appearances built up a big following on the European club circuit. Over the years the band has played over a thousand gigs.
