

Mp3 Carla Ulbrich - If I Had The Copyright (the F Word Song)

[DOWNLOAD HERE](#)

From the documentary (F**k) about the F word (this is the first song you hear in the movie). It's about how wealthy the singer would be if she had the copyright on that ever-popular word. The F word is used 27 times... 2 MP3 Songs FOLK: Modern Folk, COUNTRY: Modern Country Details: 2 versions of the F word song on this single: the live uncensored, as recorded at the Bluebird Cafe, and the live "bleeped" version, censored using a "happy new year" noisemaker (complete with 27 bleeps). This song is to be included in the documentary about the F word, and has been heard on XM comedy, the Howard Stern channel (Sirius radio), and Dr. Demento (where it was the #8 most requested song of the year). What's your favorite word? (uh, warning, may contain offensive language...)
