

# Theta Healing Music Meditation

[DOWNLOAD HERE](#)

Use the 30-minute music meditation with binaural beat technology to bring you to a deep theta brainwave state. Theta brainwaves are often associated with powerful meditations, energy healings, and manifestations. This music meditation is enhanced with Qtouch-MuSync Theta brainwave patterns. Other benefits of Theta brainwave patterns are deep relaxation, improved sleep, and lower stress. Download directly to your mp3 player or burn to CD. Stereo Headphones recommended. It is recommended that you give your full attention and intention to the Theta Healing Music Meditation.
