Description: A lot of dream seekers, in their desperate attempt to break out of the 9 to 5 job, often end up in yet another J.O.B. they built for themselves, only under the guise of 'minding my own business'. More than 95 of the Internet Marketers are not exempted either. Approaching Automation In Your Internet Business is truly reserved for those who wants to take their business to the next level: work less, make more money and enjoy the true meaning of freedom! In This Course, You Will Learn: \* The 5 goals of Internet Business Automation! \* Dealing with cluttering emails you know you're not going to read - how to automatically dispose of emails using a simple method that involves logging into your cPanel! \* Too many domains and websites? Simple free tool centralizes all of your emails into one login! \* How to automate customer support without spending a bomb on employees to man your support email address or helpdesk everyday! Even if you think the volume of daily support emails are not worth it for you to hire a full-time employee, yet at the same time they are taking too much of your time, here's how to strategically get someone to answer your support issues - shelling out only a few bucks a day (or even in a week)! \* How to possibly automate content creation - 5 distinct methods to churning out content without writing on your own! \* 4 things you should never, ever outsource... \* And much more...! Readymade sales page is included with this product, additional relevant product materials such as sales graphics, product eCover, editable .psd files, Wordpress theme, adsense niche site and etc may included with the product.
