

Mp3 Rushnichok - Nightingales Of Ukraine

[DOWNLOAD HERE](#)

It is generally known that Ukrainians are one of the most singing nation and this CD will prove that. Brilliant and tender voices along with contemporary arrangements give new sounding to the old songs and reveal the beauty of Ukrainian folk music. 12 MP3 Songs FOLK: Traditional Folk, WORLD: Eastern European Details: Rushnichok performs the most popular Ukrainian folk songs. But put into consideration that both vocalists of the ensemble are the singers of the National Opera House of Ukraine, and moreover, they are laureates of the first prize of the All-Ukrainian contest of folk arts. So, you can easily understand that their masterly performance is at a high level. That's why this disc is meant for those who do not like opera so much, but love a beautiful and skilful singing. If you want to show somebody all the beauty of the Ukrainian songs - then this CD will be a great example. It is always a pleasure to touch something nice!
