Listen to the sacred sounds of hindu devotional bhajans, sung with love and devotion. Uplifting and inspirational. 11 MP3 Songs WORLD: World Traditions, NEW AGE: Healing Details: With over 20 years experience in the Canadian music industry, Sasha discovered bhajans during her first visit to India in 2000. She felt that this beautiful devotional music spoke to her soul. Since then she has devoted herself to learning and mastering this musical genre. Sasha feels a deep connection to the Indian culture and returns to India every year where she lives and volunteers at a village school, Sri Sai Vidyanikethan, singing with the children. There she also spends time with her spiritual teacher, Sri Sathya Sai Baba.
