

Mp3 Jared Scharff And The Royals - The Coast Ep

[DOWNLOAD HERE](#)

It's as if the Who met up with Coldplay, had some drinks with Tom Petty and crashed the Bloc Party's after-party. Retro/indie rock with catchy, melodic hooks and Intense guitar work. 5 MP3 Songs ROCK: Classic Rock, ROCK: Roots Rock Details: Jared Scharff is the man behind the huge sound of the recently recorded "The Coast EP." He wrote and played EVERY instrument himself. Quite a task for anyone. "The Coast EP" was recorded in the world famous Hit Factory and Avatar studios (among others). Originally known for his guitar prowess with a band on RCA records, he quit to pursue his own music full time. He will singlehandedly bring the guitar hero back to rock music. This NYC based songwriter is turning heads with his unique brand of catchy, melodic, retro and modern rock. Look for him in a rock club near you.
