meditational music. His music has been used as background on over 1,000 recordings by spiritual teachers, healers and poets. Michael has scored film and video in Hollywood, has appeared on radio, television and has performed worldwide. Michael Hammer can travel in the deepest dimensions and reproduce the incredible frequencies of that state in beautiful heart tones and melodies. The sounds he produces are created on synthesizers spontaneously and track the energy of the moment. Michaels latest project is performing and recording with internationally renowned musicians from all over the world. In collaboration with the UNITED NATIONS he gives Peace Concerts in many countries.
