it's pretty, it's romantic, it's fun, it's sexy classic soul, r&b, pop, dance. 13 MP3 Songs URBAN/R&B: Soul, GOSPEL: Contemporary Gospel Details: "Just Norwood" ...the music, and how it came to be! I have been creating and making music now for many, many years. In fact, I got my first recording deal at 16 yrs old. I was raised in a family that loved music real music! I grew up listening to classics by Ella Fitzgerald, Frank Sinatra, Johnny Mathis, Mahalia Jackson, The Beatles, Anne Murray, Peter, Paul, and Mary, Sarah Vaughn, Mel Tormé, Nancy Wilson, the great Doo Wop groups, Charlie Pride, Joan Baez, Jos Feliciano, and of course Motown ! As you can see my love of music and its variations are broad and wide! Just Norwood, actually began its conception 5 years ago. Believe me, I love the sound of today's music, but there is nothing like the real thing! Real musicians, with real untampered vocals by using the help of today's power of technology! Although some of the songs on this cd, were recorded 5 years ago, they will always stand the test of time, because they are real music, with real singing, and real stories, and this will never go out of style! They are classic! Songs like, Jesus is Love. The great Lionel Richie wrote and recorded that song over 20 years ago, and when you listen to my version, (and I hope you love it!) it will still move you the same way ! Easier said than done, the song I recorded with the original, AND I AM TELLING YOU, Dreamgirls, Effie, my friend, Jennifer Holliday. We recorded that song four years ago. However, the story, and the music are timeless. Songs like, Take me home, and the country/pop tune, " I can't fool anyone, and Everytime you go away, and even the wedding song my buddy Scott Cannady and I wrote, Would you be mine, will never die! (By the way, for all you music buffs, Scott Cannady was the bass player for the legendary jazz group, Pieces of a Dream in which I was the lead singer). The new music that I recorded, I did all within the last year. Songs like, Eighth Wonder, and Breaking Up is Hard To Do, No Way, No How, and Queen of My Life, are my newer songs and my new classics! Even the club/dance song on this cd, is a throwback. The James D-Train hit, You're the one for Me, is hot! There is even a song, Sexual Amnesia, a good ole Steppin record, will make you feel good and keep you dancing for years to come! Lastly, there is the song I wrote targeting the tragic problem in our country, the problem of hunger. the foundation in which I am the founder, is called, Feed His People,(wefeedhispeople.org) the

song bears the same name and it also features my dear friend and American Idol runner up, Trynce. In, summation, this cd is gospel, dance, country, r b , nouveau soul, classic soul and even elements of jazz . It cant be put in any category or music genre. It will touch every area of your heart, if you are open for it ! Its Just Norwood!
