Taiz Magnificat O Sanctissima Ave Maria (Schubert) On This Day, O Beautiful Mother Bring Flowers of the Rarest Mother Dearest, Mother Fairest Ave Maris Stella (Hail, Star of the Sea) Sing of Mary Hail Mary, Gentle Woman Ave Maria (Bach/Gounod) In The Quiet of Her Heart Mary, Did You Know? Taiz Magnificat (Reprise) Thomas Jones, in his own words: "I have played piano since childhood in a rich and wide-ranging music career. From fancy country clubs to jazz clubs and society soirees, from dusty dives and rowdy saloons, from concert halls to recording studios, to exciting years playing ragtime on steamboats up and down the Mississippi River system. It is an amazing experience. I am blessed to know many incredible people and enjoy countless treasured friendships. There is another side of my music. Through the years theres rarely been a time I havent played in church on a regular basis. I have always been in awe over the great and powerful ways that music brings us closer to God. To play before the Lord has always been my delight, and a fulfillment beyond words. My music ministry is based in the choir loft of St. Marys Church in Orono, Maine, where, for the past dozen years or so it has been my privilege to play a beautifully restored Estey pipe organ. It is here, and also on the recordings of my 'peaceful piano music' that you will hear the music of my heart."
