"Punishing slide guitar that would make Jimmy Page blush"- See Magazine (2005) 14 MP3 Songs ROCK: Acoustic, BLUES: Guitar Blues Details: "After 11 years in the trenches, Canadian slide guitarist Rachelle van Zanten is done with bands. She just released her first solo album, Back to Francois, which is packed with funky blues riffs and stellar slide performances. The surprise is that van Zanten juxtaposes her gutsy guitar playing with very personal and introspective lyrics- a stylistic trait she attributes to her diverse influences." (Guitar Player Magazine-Oct. 2006) "Rachelle van Zanten has come a long way from her bluegrass upbringing in the foothills of northern British Columbia. For over a decade, this Canadian slide guitarist and songwriter has been working out her soulful blues riffs and turning heads. When the award-winning Painting Daisies dissolved in late 2005, van Zanten seized the opportunity to launch her solo career, recording her "fresh and rootsy" solo debut Back to Francois with producer Joby Baker. Baker has since assumed the role of drummer, accompanying van Zanten on an exhaustive tour that has thrust this up-and-coming artist into the international limelight." (FFward Mag- Nov. 2006) "Simply put, this woman is the total package. A fabulous musician on keyboards and guitar, particularly on acoustic and electric slide guitar, a great voice and a strong songwriter with excellent pop and rock sensibilities." (Ottawa Citizen- Oct. 2006)
