Gutsy, honest music with penetrating lyrics - Bill Drake invites you to come to that place where you lay it all on the line for God. 15 MP3 Songs GOSPEL: Contemporary Gospel, ROCK: 90's Rock Details: Abused and unwanted as a child and young teenager, Bill Drake knows what it is to feel hurt, rejected and without hope. At the age of 19 he was playing piano in bars and nightclubs in his native America and was on the brink of ending what he describes as his unlovely life. Then a group of young people decided to step out of their comfort zone and witness to Bill and others like him. They challenged him not to take his life, but to lose it, to give it up to the God who loved him unconditionally and who could give his life the purpose it had never had. Bill remembers walking home one night, feeling like he had a gun in one hand and a Bible in the other. Which would he choose to use? By the grace of God, he chose the latter. God radically changed his life and began to use his musical gifting to challenge and encourage many others. Several years later George Verwer, founder of the international missions organization Operation Mobilization, heard Bill lead worship at Biola University in California and threw out a challenge: How dare you play and sing songs like that if you are not willing to back it up with your lifestyle? Bill was stunned. This total stranger had just seen right through all Bills pretence and hypocrisy. George went on to challenge Bill to live the commitment he was singing about and join Operation Mobilization as International Music Minister. After graduating from Biola, Bill did this, moving to England with his family. An ordained Baptist minister, skilled musician and gifted preacher and teacher, Bill Drake has seen the Lord powerfully touch his ministry, and has been privileged to travel to over 50 countries, gaining recognition in Australia, South Africa, the US and many countries in Europe. Now based in OMs USA office in Atlanta, GA, his powerful music and uncompromising message continue to make the life-changing message of Gods love a reality to many internationally each year. Many have recognized an anointing on Bills music similar to that on Keith Greens, and thousands of lives have been touched and radically changed through this ministry. Bill Drake is at heart a missionary. His music has opened doors across the world to effectively communicate Christ to unbelievers, and real, gutsy discipleship to believers. Passion, humility and reality are his hallmarks. Charles Price - Senior Pastor, The Peoples

Church, Toronto, Canada. "AROMA" ALBUM REVIEW: Operation Mobilisations Bill Drake and his instrumentalists conjure-up an engaging experience. An 'easy listening tag gives no justice to the unspoiled earthy style. His missionary roots are too deep with branches ascending heavenward for him ever to be trite. Aroma is not escapist entertainment although all these album cuts have serious rock-worship stamped on them. This contemp-anthology is resplendent in dedication and drive. Musically and poetically, Bill painstakingly maneuvers the audio-project through seas awash with good news and deep heart-sentiment. The spectrum of style ranges from soft ballads to high-energy but all are contemporary and none purely nostalgic. This album features some wonderful new self-penned keepsakes reflecting the best of this Century praise worship genres. HIGH POINTS: Deep heartfelt worship, and serious rock-worship! LOW POINTS: Not mere entertainment for would-be escapees!
