

Mp3 Shaky Trade - Rock: Funk Rock

[DOWNLOAD HERE](#)

New school funk mixed with old school soul. Moronic rock mixed with thought-provoking-or-are-they lyrics. A veritable potpourri of flows, hot licks, and stops injected with enough finger lickin' goodness to make you come back for seconds and thirds. 12 MP3 Songs ROCK: Funk Rock, POP: Party Pop Details: The illegitimate result of a menage-a-trois between James Brown, Les Claypool, and Soulive. A lumbering behemoth, going mad with Zappa envy, being intravenously fed a cocktail of Red Hot Chili Peppers and Herbie Hancock, spitting out tunes that simultaneously graft onto eardrums like Paul McCartney and tap the toe like Prince's good stuff.
