Melodic, dynamic, driving rock with ripping guitar solo's only Steve Lynch can pull off. 10 MP3 Songs
ROCK: Modern Rock, METAL: Alternative Metal Details: Steve Lynch, former guitarist of Autograph, has released his first solo cd titled Network 23. Along with Scott Gilman on vocals and Chris Frasier from Steve Vai's band, this project is an experiment Steve started working on soon after Autograph. The melodic song structure is woven throughout this cd with Steve's unique solo's complimenting each with an innovative style all his own. The content throughout is very diverse and shows a multitude of dynamics with original lyrics and melody lines by Scott Gilman. Give this cd a listen and you will find it is a very unique audio experience.
