New Christian progressive rock that won't hold back the truth that must be told. Powerful Anthems for true believers 11 MP3 Songs ROCK: Progressive Rock, SPIRITUAL: Christian Metal Details: Crown of Mercy is on the verge of breaking new ground. Bringing in your face progressive rock music to the Christian scene. This sounds like it could scare a few elderly women. The loud crunching guitars with the pounding rhythm section is enough to make grandpa grab on to the closest rail and pray for mercy. Fortunately these guys really have it together. This is an album that tells a story of mankind's struggle as we go from thinking that we have the power to realizing that only God has the power. You will go on a journey that will have a happy ending just as predicted in the Bible. This is an album that will set new standards for the "church music" to come. If you like to get fired up about the greatest news on the planet, in your face guitars and a message that will leave you wanting more, you will love this album. These boys know how to play with a loud and joyful noise that sounds great! The best part is that they truly give all honor and glory to the one and only living God.
