Melodic instrumental guitar rock 10 MP3 Songs ROCK: Instrumental Rock, METAL/PUNK: Instrumental Metal Details: Italian guitarist Simone Fiorletta returns fresh from the critical praise poured on his work on Moonlight Comedys recent Dorothy album with his second solo album My Secret Diary. With a reputation as one of the worlds most exciting new players thanks to his previous solo work Parallel Worlds and the blazing guitar firepower heard on Moonlight Comedys two Lion Music releases to date. My Secret Diary sees Simone evolve his approach to the solo album concept bringing a more refined style and expressive sound through a myriad of styles all showcasing Simones versatility on the instrument. Influenced by life and his emotions Simone describes the album as, A mirror of my soul and its this very personal touch that makes My Secret Diary a very accessible album for any music fan. Its easy to hear why guitar lovers the world over are quickly recognising the Fiorletta brand of guitar magic. The ten tracks on My Secret Diary sees Simone team up with a world class backing band of Andrea De Paoli (Labyrinth) on keyboards, Pasko (Cans) on bass and legendary drummer Tony Liotta (Sting, Tina Turner and many more) for a truly enjoyable release.
