

Mp3 Major Issues - Rock: Rock & Roll

[DOWNLOAD HERE](#)

Female fronted rock music and madness with a punkass attitude up in your face there's no disgrace so get ready for some brand new fun. 10 MP3 Songs ROCK: Rock Roll, ROCK: Punk Details: After Issues and more Issues the band Major Issues finally got it together in 2006 playing LIVE in 2005 with Jessie McCall on bass. The band initially met on-line with vocalist Patty Wak searching the web and hooking up with guitarist Craig Kilborn and drummer "Bombay". The music writing was easy and is totally SMOKIN' HOT. It is the "issues", that almost caused this CD not to make it to this great digital recording that we think you will ENJOY!
