Centered around the voice of mother earth call to her children to remember. Flute, guitar, drums, natural native american instruments and the wonderful voice of crystal woman give a wonderful mix of sounds to enjoy and the 14 MP3 Songs WORLD: Native American, NEW AGE: Environmental Details: I am a Native American Recording Artist. My name Crystal Woman is my Ceremonial Name. Crystals have long been used to bring and enhance sound. This is where my name comes from. To bring songs to the People My people are the Cherokee. I write songs, chants, and prayers for all the People who are walking on our Mother the Earth. We come from the four directions of the Earth, We are the Four Colors, Red Yellow, Black and White. We are made from the same four elements as all things, Earth, Water, Fire and Air. Walking in Balance means to walk in unity with all things, to be respectful. I am honored to bring and share these songs with you. I also have written "Eagles Return", which is my third collection of Songs and Prayers put to music and is also available. May the blessings of Creator Touch your lives, and as you walk in the splendor and beauty of Mother Earth, may your hearts open to the Sacred Fire of Knowledge, and the memory of the Ancient Ones fill you with peace and healing. Ho... With deepest respect, Crystal Woman
