Expert production and Das' soothing yet hypnotic voice takes us on a journey through 9 devotional chants that are beautifully accompanied by ektara, tablas, sarangi and bansuri. 9 MP3 Songs WORLD: Chants, SPIRITUAL: Mantras Details: "With this new album, Bhagavan Das once again enlightens us with his unique wisdom and talent" LA YOGA MAGAZINE "In the world Kirtan, nobody penetrates the shields of delusional interpretations like Bhagavan Das. Truly one of the original Americans who brought North Indian chanting traditions to the States in a way that no other spiritual warrior has. Bhagavan Das is legendary and his life and his singing will be etched into our hearts every time we hear the names of God forever. These new bhajans strip Bhagavan down to his bare essentials, and allows his voice, his ektara and a little percussion to provide the insight and footsteps for us all to follow through the ambiguous forest that is life." LA YOGA MAGAZINE "Bhagavan Das' singing dips into the very source of India's rich devotional heart" David Newman aka Durga Das "His "Golden Voice" is an inspiration to us all!" David Newman aka Durga Das "Baba Bhagavan Das rocks the cosmos again and again!" Shiva Rea "The master is back" yogamagazine "Bhagavan Das has led an illustrious life that includes a seven year period wandering as a naked yogi throughout India, and has received teachings and guidance from saints and sages including Sri Maharishi Mahesh Yoga and Sri Mata Amirtanandamaya. He is a master and traveling teacher of Nada Yoga which explores the nature of reality through sound, and his first album AH is credited as one of the first recordings of world music. Since then, he has gone on to produce subliminal recordings such as the Sunset Kirtan Volumes and the Holy Ghost Sessions. His latest offering, Golden Voice, follows on from his earlier accomplishments, and proves that the 'master' is back. Golden Voice is expertly produced, and Das' soothing yet hypnotic voice takes us on a journey through 9 devotional chants that are beautifully accompanied by Ektara, Tablas, Sarangi, Bansuri, and many other instruments, making it a perfect addition for yoga classes and meditation exercises. Listening to Bhagavan Das's voice is a pleasure, Golden Voice is released by Golden Voice Records and is true to the devotional chant heritage that takes us to the true roots of yoga." yogamagazine
