Sensual, Sexy, Unforgettable Groundbreaking Spoken Word CD by International Musician and Spoken Word Artist Ainsley Burrows. 10 MP3 Songs SPOKEN WORD: Poetry, URBAN/R&B: Contemporary urban Show all album songs: Climax Songs Details: Ainsley is an amazing writer and performance poet. What is most captivating is his ability to make you "feel" metaphors that your intellect may not understand or your sense of perception doesn't grasp, but somehow, your spirit translates...you come away feeling "wiser" even without fully knowing what each line means...Ainsley's poetry manages to enhance your essence at that moment, imbed the evolution and patiently waits for your spirit, far later to say "i understand" Terri Meridith Miami FL.
