This disc reinforces Unitarian Universalist (UU) traditions, expresses UU values, and affirms the worth and dignity of all. 20 MP3 Songs KIDS/FAMILY: Kid Friendly, KIDS/FAMILY: Educational Show all album songs: Family ValUUes Songs Details: This project was the result of a music workshop with our church's Religious Education teachers. They wanted to make music a more integral part of their classes, but they asked for a recording so that could become more comfortable with the songs. So we made one! Our hope is that, through this album, the children of our congregations will learn songs that reinforce UU traditions, that express UU values, and that affirm their own worth and dignity. But it's not just for children! Now everyone can take their favorite UU songs with them! Feel free to use this CD in worship, in classes, in workshops, and at home. - Beth Nakao, Music Director, OCUUC Special Thanks to: The Music Committee and Board of OCUUC for their ongoing support; David Diorio for going above and beyond in so many ways; all the musicians who volunteered countless hours for this project; Merrie Lee Wooten for designing the Family ValUUes logo; Suzi and Bob Cassidy for designing the DC graphic layout; and Sheri Loeschen for her special support that made this project possible.
