Here is the sound of moody highs and lows, pensive, water sign paranoia with sleeve-worn emotion and reclusive, raw hate and love. Feels like late fall on a dank, leaf covered October lane. Woods to the sides, mystery ahead. Change in the air. 14 MP3 Songs in this album (40:35) ! Related styles: ROCK: Lo-Fi, ROCK: Folk Rock People who are interested in Beck Badly Drawn Boy Rufus Wainwright should consider this download. Details: Shawn Summers (son of Rockabilly legend Gene Summers) was originally trained as a classical musician from childhood through College. A promising opera singer during his stint at Texas State, he abandoned higher education altogether in the late 90s for a more satisfying approach to making music. Bronko represents six years of obsessive creative output resulting in Summers writing, playing and singing every note and beat on the album. His many styles, from Mazzy Star-like Dark, Dark Refrain to suave-o, Michel Fugain-esque Je Ne Sais Pas, showcase his sonorous versatility and appreciation of widely varied influences while remaining true to his central raw, unruly musical roots.
