Details: The sound of the piano has been around for nearly 300 years, and has been refined and focused into what it is today. As a solo instrument it is unsurpassed in it's expressiveness. The modern masters of the instrument have brought a new sound to the instrument. Many have described the sound as peaceful, impressionist, and other descriptions, and the label New Age has stuck to it as well. Here is a fine collection of some of the best of the New Age piano recordings, recorded in pristine digital format, and remastered in one of America's finest mastering houses. Enjoy the serene, inspiring beauty of this collection by Autumn Hill Records.
