

Mp3 Ken Davis - Early Morning In The Rainforest

[DOWNLOAD HERE](#)

Rainforest sounds and gentle piano have made this release one of the most popular releases of relaxation and stress free music in the world today. Also on DVD at kendavismusic.com 3 MP3 Songs NEW AGE: Environmental, EASY LISTENING: Mood Music Details: This was the first rainforest release in Australia. Gentle piano melodies and nature sounds are ideal for relaxation and meditation as well as Tai Chi. Many women have played this gentle music to the unborn child and then during the birth. We need to protect our rainforests throughout the world. Recycle whenever and wherever possible! Today is my 54th birthday and I'm listening to "Early Morning In The Rainforest" on compact disc. Spring has arrived and your music could not be more appreciated. It was a gift from my niece. After hearing my first recording of your work I will be buying your entire collection." Barry Kennedy, Raymond Terrace, NSW

KEN DAVIS Ken Davis is Australia's most successful composer of Instrumental Ambient Music. His career spans more than thirty years. His music and visuals are inspirational, healing and environmental. Ken began his musical career at school at the age of nine and discovered his inner passion for creating music after arriving in Australia from England. He began playing guitar and synthesizers in the early 1970's. His first relaxation release was in the late seventies Titled (Feelings From Within). He has released more than 40 CDS and Three DVD'S worldwide. Waterfalls, Environmental Classics and now Early Morning In The Rainforest. Ken blends beautiful melodies with nature sounds and this has made his music popular worldwide and is now distributed internationally through CD Baby. Ken performed his music live from the early 1980's at The Sydney Opera House Bennelong as well as many locations Australia Wide. In 1986 Ken created his first home studio allowing him the creating of his music at any time. Ken spends a great deal of time with nature, filming and recording nature sounds of the rainforest and oceans. He creates and produces nature visuals to compliment his live performances . In 2003 Ken was sponsored by Enrich Music in Taiwan and toured Taipei performing his Dolphin Magic and Tai Chi Music (new releases in Taiwan). In December 2003, Ken's toured in China, performing at the prestigious Xinghai Concert Hall in Guangzhou, and gave a seminar titled "Environment and Music" at The South China Agricultural University. In 2004 Ken performed a national tour of China with violinist Manjia Luo,

invited by the China Culture Arts Pty Ltd (in Beijing) and Guangdong Province Arts Performing Co. (in Guangzhou). Ken and Manjia are currently planning more touring for 2006 For all information
